- The importance of feedback - how and why to get it
- Modules of a great presentation
- How to manage "fails"
- Argumentation
- Digital presentation: how to adjust your presentation
- Improved presentations and feedback techniques
- The presenter's check list

## AW Academy

At AW Academy, we believe that learning is a process that occurs when the individual interacts with others, to embrace and implement knowledge, skills, and competence. Consequently, we place great emphasis on identifying and developing the individual's capacity for learning. Besides learning new subjects' areas, individual's at AW Academy, get to practice our pedagogical methods which lays a great foundation for their skill in learn-to-learn.
